

ENVIRONMENTAL POLICY

The Management of Union Gas LLC is committed to accomplishing our business in an environmental friendly manner.

The Management supports this commitment by:

- Complying with relevant environmental legislation and, where practical with codes of practice, industrial standards and other requirements, such as those specified by our clients.
- Ensuring environmental impact is assessed throughout the planning, design, and enablement of services to prevent pollution, minimize impact, and consider opportunities for improvement.
- Dispose of all solid waste in accordance with the requirements defined by regulation.
- Monitoring the use of hazardous materials and reducing their use when possible by utilizing safety alternatives to ensure minimum impact on people and the environment.
- Review our environmental performance on regular basis and develop and implement procedures to ensure continuous improvement.
- Establish objectives and targets to secure continual environmental improvement.

This policy is designed to ensure compliance with all corporate environmental objective

Mohammed Bin Joa'n Al Badie
