

# QUALITY POLICY

**Our Quality Policy is founded on a commitment by all employees to provide products and services that satisfy our customers.**

**Our management is committed to provide the direction and means to implement the Quality Policy through the following objectives:**

- Provide our customers with only quality products and services;
- Provide those products and services on time, utilizing efficient methods;
- Provide our customers with the best value for our products/services;
- Provide open, effective communications with our customers and suppliers;
- Provide systematic validation and control of operational and quality processes;
- Provide a system of continuous improvement across all disciplines;
- Provide a system of employee involvement, motivation and training.
